

Medical Online Services – Changing your Password

You will only be able to change your password if you verified your email address with the Practice when you registered for online services. If you have changed your email address since registration, you will have to attend the Practice to update your details before using this service.

Access the Systemonline in the usual way from the Boutham Park Medical practice webpage at <http://www.bouthamparkmedicalpractice.co.uk/>

On the 'Login' screen enter your **Username** and then click on: [I've forgotten my password](#) (Located beneath the <Login> button circled in Red in the example)

Help

Reset Password

Enter your username and email address and click **Reset Password**.
Your new password will be emailed to you, provided your practice has verified your email address.

If your email address has not been verified, you will not be able to reset your password.
You will need to visit your practice to request a new one.
