Aims and objectives

What are your aims and objectives in providing the regulated activities and locations shown in part 3 of this statement of purpose

Our Mission Statement:

To build on our history and reputation to provide a service which puts patient safety, care and wellbeing at the heart of all we do. To convey compassion in all that we do, assessing and responding to need. To respect all, showing courtesy and understanding and treat all fairly, valuing each person as a unique individual.

We will support the vulnerable.

Our Vision:

“To be considered as a leading practice for patient experience and clinical outcomes”

Our shared core values are:

- Safety, Quality and equity in patient-centred care
- Integrity and professionalism
- Compassion and treating all patients and staff with dignity and respect.

We wish to be recognised as a high quality practice:

We aim to provide excellent service to our patients

We will operate correctly within the constraints of the appropriate regulatory frameworks

We will maintain good relationships with our external contacts

We will be clear on what is expected of each and everyone of us.

We aim to be highly motivated and to have the skills and knowledge required to achieve this

We will operate within an environment of openness, mutual respect and pride in Boultham Park Medical Practice
